

December 2020

Dear Service User / Leader

A big **THANK YOU** for your patience and support as we have all got used to new and different ways of working. 2020 has brought us all a lot of challenges to and I expect we may not be finished just yet but as the New Year progresses hopefully there will be changes for the better

Your PA supports over the Christmas and New Year period have already been planned with you. Please be sure that you can contact your PA directly should you need to over the break.

If you or anyone in your household is at all unwell with Covid-19 symptoms during the holiday please self-isolate, call your GP and let your PA know straight away. It is really important to keep you, the PA and other service users safe. If for any reason you cannot contact your PA and you have a Covid-19 concern that may affect you service call 086 7929684.

Have a safe and happy holiday.

All best wishes from us all at Cork CIL

*Pat Beirne*
