

Inclusive Pathways to Employment

EQUAL REMOTE ACCESS

This exciting 10 week programme starting in spring is designed to help people find and secure employment when they have potential barriers to overcome. The programme is specifically designed to assist people who identify as having a disability, an ongoing illness, chronic pain, mental health difficulties or neurodiverse challenges. The course encompasses both in-person and remote work for learning the critical skills for remote work, unlocking the potential for a more inclusive and fulfilling work experience. Diving into different aspects of job hunting *including..*
